Rajhati Bandar, PS-Khanakul, Hooghly, West Bengal – 712417 📞 91+ 8597938227

EDUCATION

Brainware University, Kolkata, India
Bachelor of Computer Applications
(BCA) 8.32 CGPA and 79%

August 2022 – 2025 July

Nandanpur Rupchand Academy
- Higher Secondary (Commerce), Scored 72%

June 2020 - June 2022

Rajhati Bandar High School
- Secondary Education (WBBSE), Scored 62%

March 2020

Internship

GCP Cloud Training

DC Info Tech Pvt. Ltd. — [Remote]

August 2025 – October 2025

Undergoing comprehensive Google Cloud Platform (GCP) training, focusing on core cloud services, architecture, and hands-on project implementation. Gaining practical experience in deploying and managing resources using GCP Console, Cloud Shell, and gcloud CLI.

AWS Cloud Internship

F13 technologies. — [Remote]

November 2025 – Present

During my internship at F13 Technology, I gained hands-on experience in managing and deploying applications on AWS. I worked with core AWS services such as EC2, S3, IAM, VPC, CloudWatch, and Lambda, and learned how to configure secure and scalable cloud environments. I also explored DevOps practices including CI/CD pipelines, Docker containerization, and automation using Jenkins. This internship enhanced my understanding of cloud infrastructure, monitoring, and cost optimization while strengthening my practical problem-solving skills in real-world cloud environments.

SKILLS

programming language: - Python, Shell Scripting
Web development: - Html, CSS, JavaScript, Node.js
Cloud services: - AWS, GCP
Tools & OS: - Linux (File system, Users, Vim), Networking
Infrastructure as Code (IaC): - Terraform
CI/CD automation: - Jenkins
Containerization: - Docker

PROJECTS

Trueshine – Home Cleaning Service Website

- Built a full-stack service website with booking feature and database integration

- Used HTML, CSS, JavaScript, Node.js, MySQL

Personal Portfolio Website Deployment

- Hosted static website on AWS S3

- Used HTML, CSS, JS for frontend and followed DevOps practices for deployment

CERTIFICATIONS

Linux, Networking and Cloud Mastery Program – Exlearn Technologies

Certificate ID: 9d3b6bbd-383e-4dda-ae0-1072b39256d2 | Issued: July 2025
